To use the product, you need an Office 365 or Microsoft 365 account. If you are already an Office 365 or Microsoft 365 user, please provide us with your Office 365 or Microsoft 365 domain in case of license purchase. If you are not yet using Office 365 or Microsoft 365, please create a free Microsoft account or contact us.

*Cloud subscription is subject to a fee, with monthly advance payment, and is valid for one user. The following cancellation periods apply:

– 1 month term: 7 days prior to subscription expiration.

– 12 month term: 30 days prior to subscription expiration date

– 36 month term: 90 days of the subscription

If you do not cancel the subscription in due time before its expiration, the subscription will be automatically renewed for the previously booked subscription term.

**With the acquisition of a Microsoft Dynamics 365 Business Central license, the conclusion of an Enhancement Plan (EP) is also connected. The EP has an initial term of 12 months and costs 18 % of the list sales price of the total license volume purchased annually in advance. Calculation example: 3 x Dynamics 365 Business Central Essentials = 4,992.00 Euro, 18 % of which = 898.56 Euro annually in advance for the Enhancement Plan. The EP is extended and calculated with each license extension / new order. The EP can be cancelled in writing 90 days prior to expiry. After expiration by cancellation of the EP, the acquired licenses of Microsoft Dynamics 365 Business Central can continue to be used, but can no longer be updated, extended or changed in any way.

Features

Connect devices (e.g. cash registers, recording device in workshop or warehouse) to Business Central via which several employees can access data. *The number is determined by the devices used (independent of persons). This means that several users can use a licensed device at different times and no separate person-specific license is required.*	✓
Execution of certain functions in the area of data access/data entry *no complete use of all Business Central functions; especially restriction in write permissions*	✓

To use the product, you need an Office 365 or Microsoft 365 account. If you are already an Office 365 or Microsoft 365 user, please provide us with your Office 365 or Microsoft 365 domain in case of license purchase. If you are not yet using Office 365 or Microsoft 365, please create a free Microsoft account or contact us.

*Cloud subscription is subject to a fee, with monthly advance payment, and is valid for one user. The following cancellation periods apply:

– 1 month term: 7 days prior to subscription expiration.

– 12 month term: 30 days prior to subscription expiration date

– 36 month term: 90 days of the subscription

If you do not cancel the subscription in due time before its expiration, the subscription will be automatically renewed for the previously booked subscription term.

**With the acquisition of a Microsoft Dynamics 365 Business Central license, the conclusion of an Enhancement Plan (EP) is also connected. The EP has an initial term of 12 months and costs 18 % of the list sales price of the total license volume purchased annually in advance. Calculation example: 3 x Dynamics 365 Business Central Essentials = 4,500.00 Euro, 18 % of which = 810.00 Euro annually in advance for the Enhancement Plan. The EP is extended and calculated with each license extension / new order. The EP can be cancelled in writing 90 days prior to expiry. After expiration by cancellation of the EP, the acquired licenses of Microsoft Dynamics 365 Business Central can continue to be used, but can no longer be updated, extended or changed in any way.
