*The subscription is subject to a fee, has a duration of twelve (12) months with monthly advance payment and is valid for one user. If you do not cancel the subscription thirty (30) days prior to its expiry, the term will be automatically extended by twelve (12) months. For more information about the subscription, please visit our anaptis Shop and see the Privacy Policy as well as our General Terms and Conditions.

To use the product, you must have an Office 365 or Microsoft 365 account. If you are already an Office 365 or Microsoft 365 user, please specify your Office 365 or Microsoft 365 domain when ordering. If you are not yet using Office 365 or Microsoft 365, please create a free Microsoft account or contact us

**With the acquisition of a Microsoft Dynamics 365 Business Central license, the conclusion of an Enhancement Plan (EP) is also connected. The EP has an initial term of 12 months and costs 16% of the list sales price of the total license volume purchased annually in advance. Calculation example: 3 x Dynamics 365 Business Central Essentials = 4,500 Euro, 16% of which = 720 Euro annually in advance for the Enhancement Plan. The EP is extended and calculated with each license extension / new order. The EP can be cancelled in writing 90 days prior to expiry. After expiration by cancellation of the EP, the acquired licenses of Microsoft Dynamics 365 Business Central can continue to be used, but can no longer be updated, extended or changed in any way.

Artificial Intelligence

Product	Price
anaptis AI*	on request

*The price is very individual and depends on your needs and system requirements. We are also happy to work with you to develop proposals for possible applications of artificial intelligence in your company or, in the case of existing ideas, to prepare a proof of concept.

Services

Application software services

Service	Price
Consulting Executive Level (e.g. Project Board)	180,00 €/ hour within regular working hours
Project management and coordination (Senior Consultant)	175,00 €/ hour within regular working hours
Software development, analysis and conceptual design (Senior Developer and Senior Consultant)	160,00 €/ hour within regular working hours
Support, hotline, consulting and training	160,00 €/ hour within regular working hours
Services from partner companies	according to partner price list
Process optimization NAVCheckUp™	1.990,00 €* [*]
Set up package for Dynamics 365 Business Central	699,00 €** ^{**}
Workshop: Microsoft Dynamics 365 Business Central – Self development	from 5.000,00 €*** ^{***}
Workshop: Introduction to Microsoft Power BI	from 1.000,00 €*** ^{***}

*The price is an example and refers to the execution of an analysis at the client's premises with subsequent elaboration by us with a maximum execution time of 14 person hours. Costs for arrivals and departures, overnight stays and expenses will be invoiced separately according to the current conditions list. Should the circumstances and existing processes make further analyses and elaborations necessary so that we can work out suggestions for improvement, further costs may arise. We therefore strongly recommend that you have a free initial discussion with us in advance in order to determine the exact scope of the analysis.

**The setup package offered here can only be purchased in combination with a Dynamics 365 Business Central Cloud subscription from the anaptis store.

***The price is very individual and depends on your use case and other requirements. Our experts will be happy to assist you with the selection and evaluation of the use case.

Services for hardware and system software

Service	Price
System consulting, network engineering and consulting (concepts, system and network consulting)	140,00 €/ hour within regular working hours
Non-contractual services for server systems and PC workstations including mobile devices and peripherals	140,00 €/ hour within regular working hours

Travel costs and expenses

The above hourly rates apply during regular working hours Monday - Friday, 8:00 am - 5:00 pm excluding holidays. Outside the regular working hours, the following surcharges apply:

Weekday	Time	Amount of surcharge
Monday - Friday	17 pm – 22 pm	50 %
Monday - Friday	22 pm – 8 am	100 %
Saturday	10 am – 22 pm	75 %
Saturday	Other time	125 %
Sundays and holidays	10 am – 22 pm	100 %
Sundays and holidays	Other time	150 %

The travel allowance per kilometer of travel from the corresponding anaptis location is €1.00 per kilometer, depending on the distance. The cost of travel time per hour is €80.00. Accommodation and meals are charged according to expenditure and receipt. The minimum charge rate for on-site services is one hour. One working day corresponds to at least eight working hours.

General conditions

All services are invoiced based on actual efforts, if not stated separately.

Invoicing shall take place after the service has been provided.

All prices are net prices plus VAT and are due immediately.

Delivery is made according to the project plan. We reserve the right to make technical changes up to the time of delivery.

The valid General Terms and Conditions of anaptis GmbH (<https://www.anaptis.com/downloads>) apply.

E-mail Support and hotline

Within our regular working hours, we provide e-mail support for the solutions we install and services we provide. In case of urgent questions, a fixed telephone number is available to take up your matter. We support a maximum of 3 key users (main contact persons) named at the start of the project. A general first level support is provided by your IT department. We can also provide this service on request.
